

DW SUMMER INTENSIVE 2011

" We aim to develop professional ballerinas who don't just embody brilliant technique, but also use theatrical acting to elevate their performance art. "
- DW

About:

This year's program will give students the opportunity to further their knowledge and understanding of classical and contemporary ballet, and will also introduce them to the fundamentals of theatrical acting. Our focus remains on providing young dancers with the skills needed to become professional performing artists.

Selected dancers of the summer intensive will be given the opportunity to perform soloist and principal roles in DW's original theatrical ballet titled, "Where the ocean meets the sky."

The DW Summer Intensive 2011 will be lead, organized and taught by DW directors, Wayland Anderson and H. G. Robert.
